SUMMERHOUSE

As a Cornish business, we pride ourselves on using local produce, many of our drinks are brewed locally and we only use Cornish suppliers for our kitchen - the difference is in the taste.

Our chefs are proud to bring you dishes completely cooked from scratch, with love.

We use high quality ingredients and work closely with our suppliers to make sure your dining experience reflects the best that Cornwall has to offer.

From our butcher in Redruth, to our fishmonger in St Ives: we can trace most of our fresh food back to the region, farm or boat that it came in from.

Our team works hard to ensure your dining experience is excellent, by offering incredible food and attentive service, in a beautiful setting.

We practise hospitality, sustainability and positivity: we aren't perfect but we are proudly doing our best and we love what we do.

Welcome to our home: Welcome to Summerhouse.
